

Rubbish & Yard Waste Pickup

Guidelines

Rubbish and Bulky Waste

Items for Trash and Bulky Waste Collection include but are not limited to general household items, furniture and waste from remodeling projects completed by the homeowner. Delays may occur during spring and summer months, or after a storm involving tree damages.

Guidelines

- Waste must be placed at the edge of the street by 6:00 a.m. on the scheduled pick up day.
- Do not place waste in containers.
- All waste such as planks, siding or any other material resulting from home remodeling completed by the homeowner must be stacked neatly at the edge of the street.
- Do not place waste under utility lines or tree limbs.
- Do not block waste with vehicles or place waste close to planted areas or turf.

Items Not Collected

Some common items that will **not** be collected by the City include but are not limited to:

- Building or renovation waste resulting from contractor's work.
- Rocks, bricks, cinder-blocks, dirt, shingles or concrete.
- Hazardous waste, liquids, tires, batteries or dead animals.

Limb and Other Yard Waste

Limb and other yard waste collection is for non-containerized waste such as twigs, hedge clippings and limbs generated by the homeowner.

Guidelines

- Waste must be placed at the edge of the street by 6:00a.m. on the scheduled pick up day.
- Do not place waste under utility lines or tree limbs.
- Limbs should be placed on the edge of the road in manageable sections and should not exceed 8-10 feet in length and 18" in diameter.
- All waste should be piled neatly, not placed in containers.
- Do not block waste with vehicles or other obstructions.
- Loads that exceed more than one truck per household will not be fully picked up on the scheduled day and will wait for the next route..
- Contractors must remove trees cut.

Items Not Collected

Some common items that will not be collected by the City of Leeds include but are not limited to:

- Yard waste generated by any contractor, tree surgeon or any other person other than the person residing at the residence.
- Limbs or trimmings resulting from a land clearing; whether by a contractor or land owner . (other than the immediate residence).
- City reserves the right to decide if it's contractor work or not in making the decision to pickup.

Leaf Collection & Grass

Guidelines

- Leaves should be raked in a pile adjacent to the curb or the street but not in the gutter or a ditch.
- Leaves for collection should be put out by 6:00 a.m. on the scheduled pick up day.
- Do not mix sticks, rocks, pine cones, limbs or other debris with loose leaves. The vacuum truck can only pick up loose leaves.
- Do not block leaf piles with vehicles or other obstructions.
- Leaf Collection does not follow a set schedule if un-bagged. If bagged they follow limb & rubbish/yard waste pickup schedule.

The City reserves the right to change, alter or revise any of the foregoing schedules at its sole discretion due to circumstances beyond its control including, but not limited to, to weather conditions, Acts of God and equipment failure or unavailability. *** Violation of these rules will result in a failure of the City to not pickup the limbs or trash. The homeowner will then be responsible for picking it up to conform or be in violation. ***
